

# ACORN PARK, FRANKLIN PARK, PENNSYLVANIA

WallacePancher Group was retained for Master Planning, Conceptual Design, and Cost Estimating for a 26-Acre Park in Franklin Park, Allegheny County, Pennsylvania.

The project consisted of a new 20-foot wide driveway and loop road, 27 parking spaces with accessible parking, gazebo and outdoor classroom, playground, mountain bike pump track, hiking/biking/horseback trails, observation decks, bridge stream crossings, benches, trailhead signage, interpretive signage, and mile markers.

Associated improvements included stormwater management, green infrastructure (porous asphalt parking and rain gardens), grading, ADA accessible design, landscaping, and utilities.

## SERVICES PROVIDED:

- Master Planning
- Conceptual Design
- Cost Estimating
