

SENECA COUNTY AIRPORT, TIFFIN, OH

Richland Engineering Limited (REL), a WallacePancher Group company, has been providing airport engineering services to the Seneca County Airport for over 20 years.

Projects have included:

- Land acquisition for safety areas and future upgrades.
- Design and Construction Administration for runway rehabilitation using chip/seal interlayer and asphalt concrete overlay.
- Obstruction removal.
- Pavement Marking
- Design and construction administration for installation of taxiway lighting.
- AWOS design and construction administration.

Many of the projects were conducted with ODOT OAA funding. To date, projects have totaled nearly \$2.5MM in new investment in this airport.

SERVICES PROVIDED:

- Land Acquisition
- Obstruction Removal
- Runway Rehabilitation
- Pavement Marking/Signage
